POSITIVE PROFIT ALERT

This announcement is made by YuanShengTai Dairy Farm Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the Board’s preliminary review of the latest unaudited consolidated management accounts of the Group for the six months ended 30 June 2026 (the “**Current Period**”), and the information currently available to the Board, the Group is expected to record a net profit ranging from approximately RMB220 million to RMB270 million for the Current Period, as compared to a net profit of approximately RMB118.9 million for the six months ended 30 June 2025 (the “**Corresponding Period**”).

The Board reached this view after taking into account the following principal factors:

- (i) gross profit increased as compared to that of the Corresponding Period, primarily due to (a) an increase in sales volume of raw cow milk; and (b) the Company’s entry into a new business segment for the sale of beef cattle with an estimated revenue of approximately RMB40.6 million for the Current Period; and
- (ii) decrease in loss on changes in fair value less cost to sell of biological assets for the Current Period as compared to that of the Corresponding Period.

The Group is still in the process of preparing its consolidated financial results for the Current Period. The information contained in this announcement is only based on the Board's preliminary review of the latest unaudited consolidated management accounts of the Group and information currently available to the Board and is not based on any financial figures or information which have been audited or reviewed by the Company's auditor or audit committee of the Company, and may be subject to amendments. Detailed financial information and performance of the Group for the Current Period will be disclosed in the Company's interim results announcement for the Current Period, which is expected to be published by the end of August 2026.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.

By order of the Board
